ABOUT JOURNEY ACADEMY

The **Journey Academy** seeks to provide educational programs that focus on the development of daily living, social, and vocational skills along with opportunities to explore recreational and leisure activities in order to foster self-determination and self-advocacy. We feel that the introduction of the Journey Academy into this community will allow those needs to be met in a positive, supportive, and rewarding environment.

Classes begin week of August 18th! – **Deadline to Register: Aug 11**

Classes for young adults in Huntsville will include a variety of 8-week classes focusing on specific areas of instruction to include: social, daily living, leisure, and community based instruction. Contact us to request more information on which class may be appropriate, and to arrange for an assessment.
